

**Salaried Job:**

**Title: Grounds Person**

**Location: Ashburnham Place, East Sussex**

**Brief description of role: (250 words max)**

With 220 acres of Capability Brown landscaped Grounds and Gardens enjoyed by many thousands of guests each year, the successful applicant will be working as part of a small committed team,.

Responsible for the upkeep of the wider grounds and the implementation of the Trust's strategic plans for the site. We are looking for, an exceptional highly motivated individual, who will have a passion for nature, an upbeat 'can do' attitude and is able to work to a high level of professionalism. The individual will play a key role in helping the Trust develop its understanding and practice of environmental sustainability and wildlife conservation.
